Shuffleboardsand

Bordet levereras med shuffleboardsand.

Sanden strös i ett jämnt lager på spelytan för att pucken ska glida bättre.

Sanden kan återanvändas så dammsug ej bort den.

Shuffleboard wax

The table is delivered with shuffleboard wax.

The wax is spread on the playfield to make the puck glide better.

The wax can be used over and over again so don't vacuum it away.

REGLER SHUFFLEBOARD

-  Var spelare (eller lag) har 4 puckar var. Röd eller blå.
-  För att bestämma vem som börjar spelas en puck per lag och närmast motsatt kant väljer om han vill börja eller inte.
-  Man spelar varannan puck.
-  Den som först uppnår 15 poäng vinner
-  Markering finns på bordet för poängberäkning 1-3 poäng. 4 poäng ges om pucken hänger över kanten men fortfarande är kvar på spelytan.
-  Den som fick poäng i omgången innan startar nästa omgång
-  Alla puckar skall passera spärrlinjen som är markerad i början av 1 poängs fältet. Om en puck inte passerar den linjen skall den tas ur spel.
-  Den eller de puckar i samma färg som är närmast bortre kanten är poänggivande.
-  Bägge fötter måste vara bakom 1-poängslinjen närmast spelaren vid spel av puck.
-  Du får inte spela 2 puckar samtidigt.
-  Hela pucken måste vara i poängfältet. Nuddar pucken linjen så gäller den lägre poängen.
-  Är man inte enig om vem som ska sanda bordet så får lotten avgöra

RULES SHUFFLEBOARD

-  Each player (or team) has 4 pucks (weights) each. Red or Blue
-  To decide who starts, one puck is played per team and closest to the far end decides if they want to start or not.
-  You play the pucks alternately.
-  First to 15 points win
-  There are marks on the table for the scores 1-3 points. 4 points is given if the puck hangs over the edge of the playfield at the end of the playfield.
-  The one who scored the most points in the previous round starts the next round.
-  All pucks have to cross the first 1 point line (closest to the players). If it doesn't that puck is taken out of play.
-  The puck or pucks of the same colour closest to the far edge score points.
-  Both feet have to be behind the first 1 point line (closest to the player) when puck is played.
-  You can not play 2 pucks at the same time.
-  The whole puck has to be in the point field. If the puck touches the point line the lower score is given
-  If you can't decide who should sand the table you have to draw for it.
