

# ASSEMBLY INSTRUCTION

## Bike Rack Economy R60

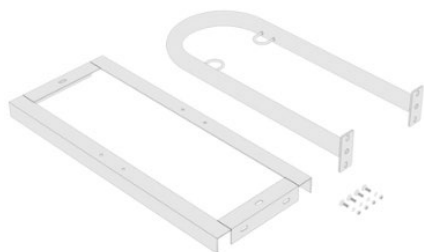

- Supplied parts for 2-bike parking.
- Can be extendable upto 12 bike parkings.

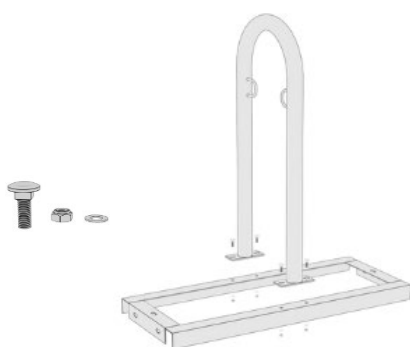

Follow these instructions to assemble your bike rack quickly and safely. Ensure all parts and tools are ready before starting.

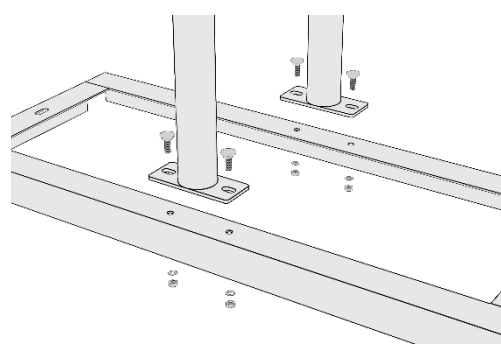

- 1** For 2-Bike Parking
- 1 × U-shaped hoop
  - 1 × Frame
  - Screws (included)

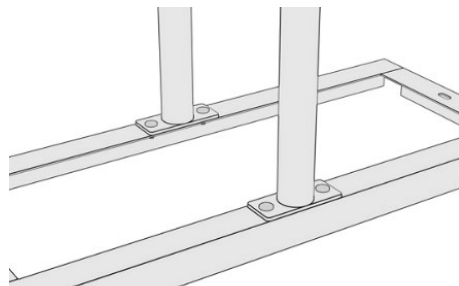

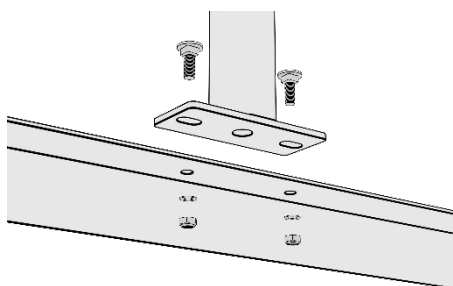

- 2** • Place the hoop on the frame with mounting points facing upward.

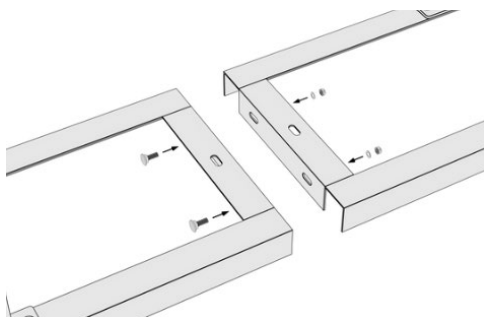

- 3** • Attach the hoop to the frame using a bolt, washer and nut.

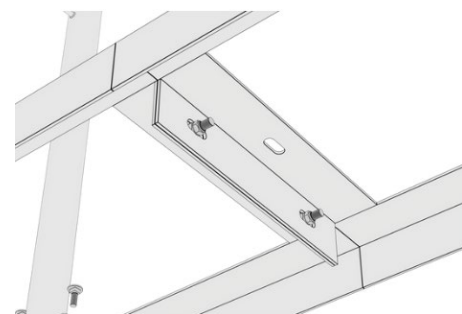

- 4**
- 5** • Tighten the bolts.

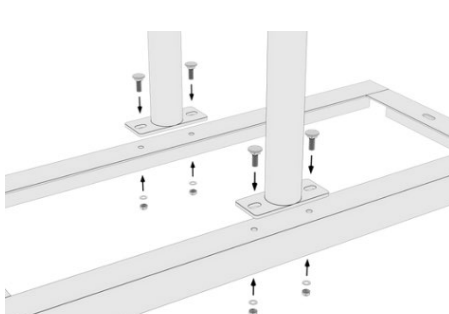

- 6** • To continue making a bike rack extension, place another frame.

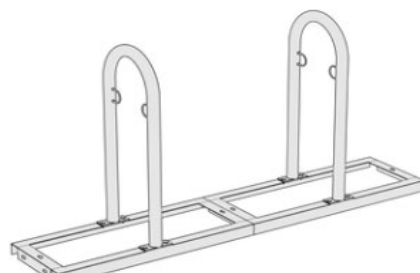

- 7** • Lock the frames using bolt, washer and nut.

- 8** • Attach the hoops to the frame.

- 9** **Bike rack with space for 4 bikes.**  
Repeat Steps 6–8 to add more extensions for 6, 8, 10, or 12 bike spaces.
