

# Staging

## Assembly Instructions

SNGS-F1

### **IMPORTANT**

You must read these instructions carefully before you start to assemble this staging.

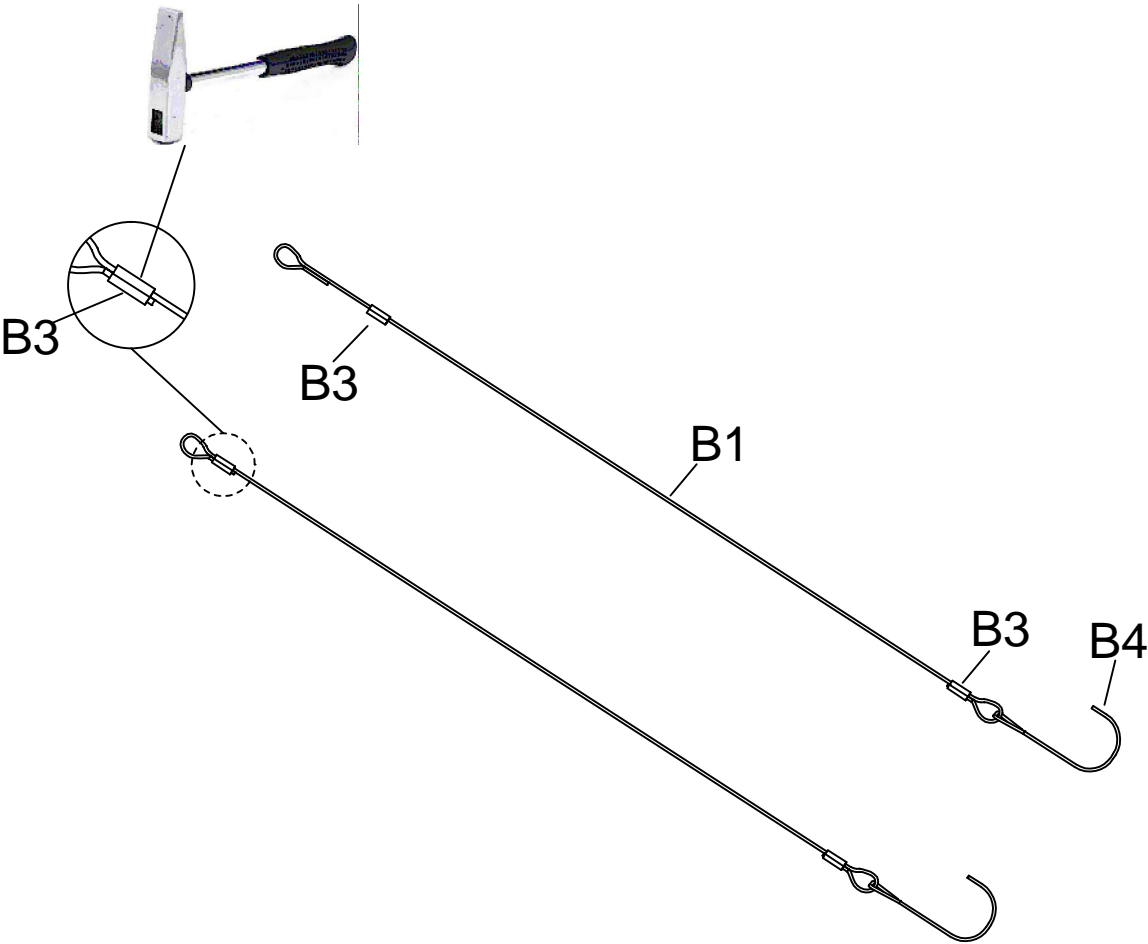

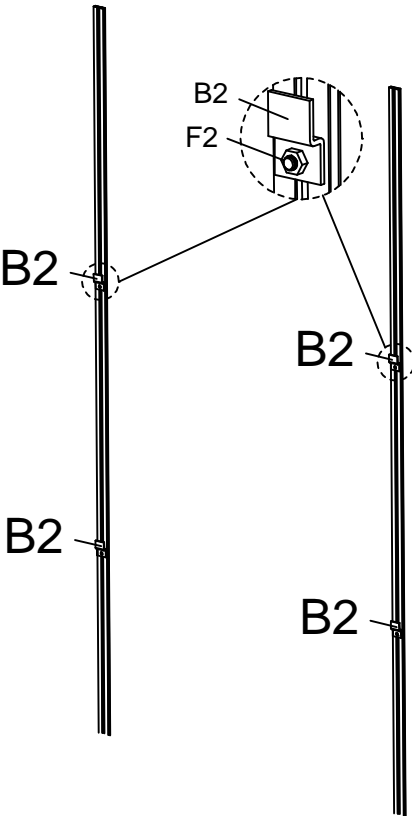

Please ensure that you find all parts in the carton box in the correct type and quantity as mentioned in the list illustrated in every page accordingly.

Please carry out the steps in the order set out in these instructions.

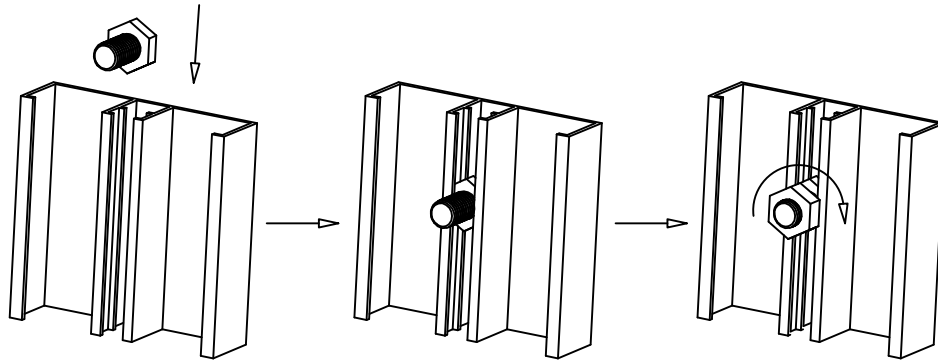

Do not tighten the steps in the staging until completing on the assembly of the polycarbonate panels.

Keep these instructions in a safe place for future reference.

## THE LAYER ASSEMBLY

### "hexagonal screw" installation

Place the "hexagonal screw" into the groove, turn clockwise until it stops turning. Adjust the "hexagonal screw" by hand and twist so threads fix it in place. Place other parts on "hexagonal screw" and assemble nut.
