Tack för att du valde Macro Duschsystem.
Skötselråd för duschar

Macro är ett svensktillverkat Duschsystem, Macro ska vara ett tryggt köp många år framöver.
Därför är det viktigt att du vårdar din dusch och rengör den regelbundet enligt anvisningarna.

Glas

Effektivaste och även det miljövänligaste sättet att hålla glaset rena och fina är att efter varje dusch dra med en gummiskrapa. Rengör glaset minst varannan vecka med diskmedel eller mildt ättikbaserat rengöringsmedel. Använd svamp eller borste som inte repar glaset eller profilerna.

Screenmönster skall alltid vara på utsidan av glaset. Rengör utsidan med ljummet vatten och ett mildt diskmedel. Använd ej produkter som bildar en skyddshinna på glaset då dessa medel kan upplevas som flammiga eller som ett rinnmönster i screentrycket. Macro duschar får inte rengöras med medel som innehåller aromatiska kolväten, syror, ammoniak, natrienlut eller klorin.
