## PANAMA DARK COLLECTION

# WHO ARE WE?

---

**We believe in enjoying the finer things in life:** family, friends, food and comfort, and whatever else you can think of. What better setting for this than the perfect outdoor space?

We aim to deliver outstanding, beautiful pieces of furniture, combining international design and production with ethically sourced materials – **ensuring sustainable outdoor living is possible for any taste and style.**

Doing Business the Right Way is a cornerstone in our vision, with **sustainability close to our hearts and a guiding principle in everything we do** at LifestyleGarden®.

**With controlled and own production and supply chain,** we are able to create **high quality products** that are ethically and **environmentally responsible**; because without the earth there would be nowhere for us to enjoy all the fine things. We care and make every effort so you can **enjoy sustainable outdoor living.**

## Who makes your furniture?
