## Beskrivning

Disklåda i granitmaterialet CRISTADUR®, ett material med en silkeslen yta som är väldigt lätt att hålla ren. För under- och planlimning. Finns i de läckra färgerna Magma (svart), Polaris (vit), Puro (svart), Bronze (brun) och Silverstone (grå).

Levereras med praktisk integrerad basketventil, en ny och minimalistisk designdetalj – mer färg och mindre rostfritt stål.
